

Kimberly School District #414
REGULAR BOARD MEETING FY23

ITEM #9-4

2ND READING REVISION OF POLICY 1500 BOARD MEETINGS

The current policy 1500 Board Meetings is lacking components of Idaho Code, specifically, allowing for a simple majority to enter into executive session when there is lack of 2/3 majority due to a vacancy and allowing the decision for a student disciplinary hearing to take place in executive session. Utilizing the ISBA model policy, I have included verbiage in our current policy to include these items.

Recommendation: The administration recommends that the Kimblery School Board of Trustees approve the 2nd readings of revisions of Policy 1500 Board Meetings.
