

Kimberly School District #414
REGULAR BOARD MEETING FY23

THURSDAY, OCTOBER 20, 2022

ITEM# 9-7

2ND READING RETIRE 2311P AND ADOPT 2313 SELECTION, ADOPTION, AND REMOVAL OF CURRICULAR MATERIALS

In addition to defining Curricular Materials, the legislature during the last session also defined and outlined the Curricular Committee for the Selection, Adoption, and Removal of Curricular Materials. First, it is recommended that this policy number be changed from 2311P to 2313, because “P” designates it as a procedure, and it should be a policy. Again, utilizing the ISBA model policy and the Twin Falls draft policy, I am recommending revisions to our policy to align with the current Idaho Code. These revisions outline the makeup and duties of the Curricular Committee and the selection process and criteria for curricular materials. Additionally, I have removed language from the policy dealing with the usage and use of video and video clips as these items are not conducive to this policy. Curricular usage is already addressed in other policies, and I am currently working with the administrative team to create a video policy for your consideration at the next board meeting.

Recommendation: It is recommended that the Kimberly School Board of Trustees approve the 2nd Reading to Retire 2311P and Adopt 2313.
