## [Kimberly High School Athletic Handbook](#)

### **Mission Statement**

The mission of Kimberly athletics is to provide the opportunity to allow the students of Kimberly High School to participate in a positive, competitive, athletic setting. To develop young men and women with strong character, leadership, sportsmanship, and commitment. To prepare athletes to legitimately compete and succeed both on the field of athletic competition and in life. To stress and promote a balance between academic and athletic successes.

### **Philosophy Statement**

The Athletic program at Kimberly High School reflects the vision, mission, values and culture of Kimberly School District #414 to address the needs of its entire student population. A strong Kimberly Athletic Program bonds the community to its schools representing the best face of our school to the community. The athletic experience is an essential part of the educational experience for many students. Athletics offer essential opportunities to develop strong personal character, great leadership skills, and attributes such as sportsmanship and commitment toward a common goal. Student athletes will be afforded the opportunity to participate in multiple activities at the highest level to achieve optimal personal growth. Student athletes will be given the opportunity to develop their skills and reach their maximum potential in a well-organized and safe environment. Student growth and development is positively impacted when students engage in a strong academic program and participate in a strong athletic program. The goal at every level of athletics is to strive for excellence.
