This grant is made possible by the Idaho State Legislature in partnership with the Idaho State Board of Education. Please consider writing your legislators to express your appreciation for their support of arts education in Idaho public schools.

Please keep the following in mind as you manage your grant:

You may have already received your payment. If you have not, it will be coming soon through the State Controller's Office. Grant funds must be expended prior to the end of the fiscal year, June 30, 2025.

If there is any change to your planned project, please send an email to Nick Wagner at nwagner@edu.idaho.gov requesting approval for the change. Include a summary of your planned change and an updated project budget.

Final Report

This grant requires a final report, including a summary of project impact, a list of itemized expenses, photo or video documentation of your project, and counts of youth, adults, and artists involved to be submitted upon project completion or by July 31, 2025, whichever comes first. Please submit through the Idaho Commission on the Arts web portal at <https://grants.arts.idaho.gov>.
