

Who: Kimberly High School Athletes

What: Honor Chords for athletes at Kimberly High School

When: October 17, 2024

Why: KSD allows clubs, and other approved groups have chords for seniors at graduation. Kimberly Athletes should have a chord to represent the time devoted to sports throughout high school as well.

How: It will be the athlete's responsibility to fill out an application if they feel they meet the listed requirements. The application would be given to the athletic director to verify eligibility.

Athletics is a huge part of our Kimberly community. Our sports programs play at a high level and in recent years we have seen huge success at the state level bringing home trophies and banners. A lot of time is devoted to sports with late nights coming home from games, long practices, and keeping up with schoolwork.

Kimberly Athletes **participating in school sponsored athletic programs** should be able to wear a cord at high school graduation representing the work put in throughout high school if they meet the following requirements:

1. Playing at least 2 sports for 3 years.
2. Lettering a cumulative of at least four times in two different sports.
3. Participating in a sport senior year.
4. Keeping a cumulative 2.5 GPA.

An additional chord could be given to athletes who meet the above requirements and have gotten first place at the state tournament.

If approved by the board Kimberly Athletes would wear a red colored chord at graduation. A royal blue chord would be worn by athletes who have won a state championship.
