

## Kimberly School District Funding Request Form

**Purpose:** The Kimberly School District Board of Trustees has made funds available to support student travel, curricular needs, innovative projects, and other initiatives aimed at enhancing the academic experience for our students. To be considered for these funds, please complete this form and submit it to the District Office at least 10 business days prior to the regularly scheduled board meeting.

### *Section 1: Applicant Information*

• <b>Name: Senior Class of 2025</b>
• <b>School/Department: Kimberly High School</b>
• <b>Phone Number: (208)423-4170 x 3142 or 3111</b>

### *Section 2: Purpose and Objectives*

• <b>Brief Description of the Project/Initiative:</b> <i>(Provide a concise overview of what you are planning to do) For the past few years, we have taken our seniors to Jae's Place to experience Jae's story of struggle and suicide. At the conclusion of the tour, all seniors are invited to choose their own Jae Boots to remind them that they are loved, supported, and that someone is there that cares about them. It is an example of object association. For example, if someone is having a bad day, they may see their boots from that day and remember that it is temporary.</i>
• <b>Goals and Objectives:</b> <i>(Describe the specific goals and objectives of the project/initiative and how they align with the district's mission and support student learning) The CDC's 2021 Risk Behavior Study of high school students in Idaho found that this particular demographic is 22% more likely than the national average to make a plan to commit suicide and 25% more likely to attempt suicide. It is an epidemic and the shortage of mental health providers leaves many kids suffering. This activity with Jae's Place lets kids know they are not alone, and they need not struggle alone. This is especially important as the seniors are running down an endpoint to high school and entrance into adulthood independently.</i>

<ul style="list-style-type: none"><li>• <b>Previous Funding:</b> <i>(If applicable, list any previous funding received for similar projects/initiatives and their outcomes) Last year (2023) was the first year that the Jae Foundation has required the \$25 per student. Boots are about 8 times that cost or more. Last year, we were told a little late and so we tried some boot nights at sporting events to raise funds. We received some through these events, and through direct contributions. We paid the balance out of the Senior Class of 2024 account that we also use to cover senior events, such as the parade, graduation, the Lagoon trip, and the overnighner.</i></li></ul>
<ul style="list-style-type: none"><li>• <b>Additional Comments:</b> <i>(Include any other information that may be relevant to the board's decision) We will continue to try to raise funds for this purpose through boot nights and activities for future senior boot days, as we see it as a benefit to our students.</i></li></ul>
