

Kimberly School District #414  
REGULAR BOARD MEETING FY25

THURSDAY, JULY 18, 2024

ITEM# 10-4 KSD BOARD OF TRUSTEE DESIGNEE FOR KSF

\*\*\*\*\*

Per the Kimberly School Foundation By-Laws, the Board Chair of the District is a member of the Foundation board. With all the duties of the chair, participation in the foundation can be difficult. The foundation has asked me to inquire if the board of trustees would like to keep the current arrangement or the Board Chair serving on the foundation, or would the board like to appoint another designee to serve on the foundation. The time commitment includes 4-5 meetings a year and participation in the annual fundraiser in the fall. **At the June meeting, the board approved to assign a designee each year at the January reorganizational meeting. In the meantime, a designee will need to be appointed for the remainder of this calendar year.**
