REGULAR BOARD MEETING FY25

ITEM# 10B2

RISE CHARTER REQUEST FOR MODULAR BUILDING

RISE Charter School will add two additional grade levels next year, becoming a K-12 school. To accommodate this expansion, RISE requires additional classroom space.

RISE proposes that KSD purchase a two-classroom modular building, with RISE making payments over a five-year period to cover the cost and installation of the modular. The District could use Modernization funding to cover the upfront cost. KSD would retain ownership of the modular building, and RISE would lease the modular under the same terms as its current lease agreements for the RISE building and portions of the round building.

The KSD Board may wish to consider this proposal further and table the decision until the January meeting.
