10B7 - DISCUSS POSSIBLE 6% HOLDBACK FROM STATE AND ELIMINATION OF FEDERAL PROGRAM FUNDING

Due to the Governor's recent announcement regarding a potential 6% holdback and the possibility of not receiving certain federal program funds, Laurie Wirtz, Business Manager, and the administration would like to discuss the potential impact. Please keep in mind that no final decision on the holdbacks has been made. However, given the possibility, the district should have a plan in place.
