ITEM# 10B7 STUDENT HANDBOOKS CELL PHONE USE POLICY

Each summer the board of trustees approves student handbooks as a consent agenda item for each school and cell phone policies are within the student handbooks. We would like to bring the current and proposed changes to the attention of the board and provide the opportunity to discuss and ask questions. The major change is with KHS, that would like to move to a policy consistent with KMS. Basically, cell phones are not to be seen in class and can be used before and after school, passing periods, and during lunch at secondary schools. Elementary schools will remain the same, not to be used during the school day, unless there is permission from the classroom teacher.

Recommendation: The administration recommends that the Kimberly School Board of Trustees approve the proposed student handbook cell phone policies.
