ITEM#11-1

2ND READING REVISE POLICY 2333 PARTICIPATION IN COMMENCEMENT EXERCISES

Last month, KHS student Mallory Kelsey requested that Athletic Cords be allowed to be worn at graduation. Approving this request would require a revision to Policy 2333: Participation in Commencement Exercises. Since there was a question about GPA requirements for other organizations, I have asked Mr. Gonzales to have this information available at the board meeting.
