RISE MOU, LEASE AGREEMENT, PERFORMANCE CERTIFICATE, AND CHARTER

In collaboration with Heidi Child, Director of RISE Charter School, we are proposing to the KSD Board and RISE Board revisions/updates to the MOU, Lease Agreement, Performance Certificate and Charter.

Memorandum of Understanding: The first addition is to add the use of the LA Thomas. The second proposed revision concerns Average Daily Attendance (ADA) for those students that attend both schools. The revisions outline expectations, how students will be reported to the state, and how the ADA will be calculated.

Lease Agreement: The only suggested revision is adjusting the dates.

Performance Certificate: It is proposed that pages 12 and beyond are deleted as it all pertains to start up procedure and is no longer relevant.

Charter: Both the KSD and RISE Boards approved revisions to the performance metrics aligned with the assessments and academic goals of RISE Charter School. The proposed revisions to the charter align the charter with the performance metrics.
