AGENDA # 12B5 1776 AWARD STUDENT TRAVEL/FUND REQUEST

\*\*\*\*\*

Students from Kimberly School District have qualified at the regional level through the 1776 Award program and are requesting Board approval to travel out of state to California to participate in the upcoming competition. This event is part of the United States Semi quincentennial, the official 250-year celebration of the founding of the United States and recognizes student achievement in civics education and understanding of the nation’s founding principles.

In addition to travel approval, the group is requesting financial support to assist with transportation, lodging, and related expenses associated with out-of-state travel. Participation in this event provides students with a unique opportunity to engage at a higher level of competition while representing Kimberly School District as part of this national commemorative initiative.
